Dear parents,

Mesquite ISD is dedicated to making sure that each campus provides a safe learning environment for your children. Due to recent events, the district has made improvements to our safety protocols. Attached to this letter you will find our Standard Response Protocol that is to be followed in the event of a threat to the safety of our students. In the event that our campus is placed on lockdown, we encourage you to refer to the Standard Reunification Method document (which is also attached). If our campus has to be evacuated, you will be notified and you will need to report to the Mesquite Rodeo Arena in order to pick up your child. Please make sure you are familiar with the procedures for reunification. Although it is our first instinct as parents to report to the place where our children are in the event of an emergency, please refrain from coming to the school. Once a school is placed on lockdown, our city's first responders are immediately on the scene and taking the utmost care of your children. If you have any questions, please contact the school at 972-882-5040.

Sincerely,
